### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with John Mion on Thursday, June 23, 2005.

3. **The application has been amended as follows:**

**Claims 1, 2 and 4 have been cancelled.**

4. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest a method of monitoring the use of a chargeable dynamic signaling port of a trunk connecting two exchanges, wherein applications communicate via the exchange and the port, comprising: assigning rights of use of a chargeable dynamic signaling port of a trunk connecting two exchanges to an application wherein the port is set up and deactivated on demand; and if the port has not been activated, setting up an assigned port, of the trunk for use by the application or if the port has already been set up, making an assigned port available for immediate use only by the application; wherein the right assigned to an application is monitored, in an exchange initiating a call request, to set up a call via the port, and the same application has a different right according to the exchange from which the setting up of a call is initiated, as recited in independent claim 3..

Art Unit: 2665

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
